

**Blocks of the month June 2017 (15 x15 cm)
'Patch and appliqué 6'**

At our website, these blocks are also available as an EQ7 project.

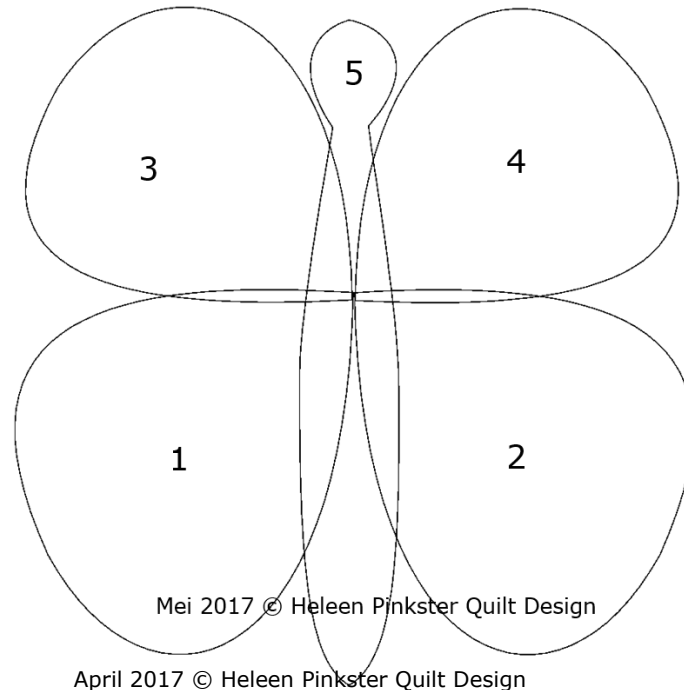

These blocks of the month (June 2017) are traditional blocks, combined with applique. When sewn together in a quilt, the way of coloring can make a exiting composition.

Follow the next piecing order:

- A1-3, B1-3, C1-3, D1-5, E1-5, F1-7, G1-7
- A+B, AB+C, ABC+D, ABCD+E, ABCDE+F, ABCDEF+G
- Appliqué the butterfly in the right order of numbering on top of a block or at a nice spot on top of the quilt.

When you make the butterfly from felt, sew them partly on the quilt, so it looks like the wings are moving.

In the next example-quilts you can see several ways to use color. We wish you success with making your own design. Wilma Karels and Heleen Pinkster

In our Quiltshop, this year you'll get with every purchase the blocks of the month from the theme 'Quilt houses'. As always, these blocks are 15 x 15 cm, so you can easily combine them with the blocks of the previous years. Many of these blocks are published in (Dutch) books, which you can order at our website.

When printing this PDF in the correct size: use NON SCALING or ACTUAL SIZE
