

Blocks of the month February 2018 (15 x15 cm)
'Surprising diamonds appliqu  2'

At our website, these blocks are also available as an EQ7 project.

The block of the month February 2018 is a traditional pattern. This year, the web blocks can be combined with the blocks you'll get with every purchase in the store in Ede (NL). The web blocks are application blocks with the same diamond base all year round. In the shop they are diamond patchwork blocks.

Follow the next piecing order:

- Basic diamond (B)+ C1-2, BC + D1-2. Sew C and D in the direction of the arrows and numbers.
- Appliqu  first the leafs A1 and A2 onto the diamond, the sew flower A3 and A4. Finally, sew circle A5 onto the flower.

In the next example-quilts you can see several ways to use color. We wish you success with making your own design. Wilma Karels and Heleen Pinkster

In our Quiltshop, this year you'll get with every purchase the blocks of the month from the theme 'surprising diamonds in patchwork'. As always, these blocks are 15 x 15 cm, so you can easily combine them with the blocks of the previous years. Many of these blocks are published in (Dutch) books or maxi pattern package, which you can order at our website.
